# Activities & Excursions

At the Triple B Ranch we strive to provide guests with an experience to remember. We have compiled a list of extremely reputable experts who work with us to create an enjoyable time for your event. Whether it be a team building experience, or a family event, we have the right package for you!

Please contact us to set up your Triple B Ranch Experience!

# SPORTING CLAYS

Sporting Clays is a form of clay pigeon shooting, often described as "golf with a shotgun" because a typical course includes different shooting stations laid out over natural terrain.

Sporting Clays simulate the unpredictability of live-quarry shooting, offering a great variety of trajectories, angles, speeds, elevations, distances, and target sizes. The Triple B Ranch is home to a 25 shot, 5 station Sporting Clay Course and we are excited to have highly skilled, NRA Certified Instructor **Ron Thompson** on staff who has over 35 years experience in Skeet, Trap, and Sporting Clays.

Ron is experienced in providing instruction and guidance to all skill levels and has helped us set up a challenging and fun course here on the property. Guests are fitted with all equipment necessary. Please contact us for more information or course reservation.

# Triple B Ranch Clay Shoot Course Pricing Structure

Our Highly Skilled Instructor will take the time to personally instruct each individual participant, no matter the skill level, providing a safe and successful day for everybody!

**Course Reservation Fee (Per Event): \$300**

**Round of Shooting (Per Person): \$100**

All costs will include Gun Rental, Ammunition, Targets, and personalized instruction based upon ability and desired outcome. Guns will be fit to each individual based upon size, weight, and experience level.

All safety measures laid out by Instructor must be followed. Failure to do so may result in loss of ability to complete round without refund.

No alcohol can be consumed before or during Clay Shoot round.

# TRIPLE B RANCH GUN RANGE SHOOTING EXPERIENCE

We are excited to have partnered with expert firearms instructor Pill Flack. Phil has a highly decorated and extensive law enforcement and military background, and is widely recognized for his expertise in the field. Phil will impart guests with expert instruction, shooting techniques, and safe handling practices. We have many packages that will allow for a wide variety of shooting experiences and can customize a package especially for your event. Guests will be provided with all equipment necessary. This is a very fun and safe experience, perfect for family or corporate groups of all skill levels. Please contact us for more information and course reservation.

# Triple B Ranch Gun Range Pricing Structure

We have many different packages available and can customize an event to suit your group's needs!

Our Highly Skilled Instructor will provide complete instruction and education on each weapon selected and maintain a safe and fun experience for everybody.

## **3 Gun Shooting Experience**

This package will introduce you to the exciting event of 3 Gun. Participants will be introduced to 3 different styles of weapons, pistol, rifle, and shotgun. Participants will be educated on safe handling of each weapon, aiming and hitting the target, and moving from station to station.

After each participant has successfully fired each weapon, our instructor will run the group through a "competition" where each individual will complete the course again this time counting successful target hits.

Calibers and types of weapons will vary based upon group size and individual preference.

**3 Gun Shooting Experience Fee \$100 (per person)**

# "D-Day" Package

## Correct weapons used on that day and throughout WWII

This package will introduce participants to many of the weapons used during WWII. Participants will learn history behind each weapon, safe handling, loading and firing. This is a very educational and informative experience with unique weapons not commonly found.

**The 1911 A1 .45 Caliber Pistol** - This Pistol served our military from WWI through the mid 1980's.

**The M1 Garand .30 Caliber Rifle** - General Patton was quoted as saying that this was "the greatest battle implement ever devised".

**The Thompson M1A1 .45 Caliber Submachine Gun** - The WWII modified variation of the famous "Tommy Gun" of the 1920's.

**OR M3A1 .45 Caliber Grease Gun** - The "Grease Gun" was nicknamed due to its similar shape to a grease gun used by a mechanic. This was a lower cost substitute for the Thompson and was adopted in 1942.

**1919 A4 .30 Caliber Belt Fed Machine Gun** - This is the Browning .30 Caliber air cooled machine gun that was first used in WWI.

**D-Day Shooting Package Fee \$225 (per person)**

# **Viet Nam Package**

## **Common weapons used by both sides during the Viet Nam War**

This package will introduce participants to the weapons both sides used during the Viet Nam War era. Participants will be educated as to the history behind each weapon as well as safe handling, loading and firing. This is an exciting package and contains some very powerful weapons.

**M16/M4 5.56mm Carbine** - The "Black Rifle" was first issued to US Troops during the Viet Nam War in 1960.

**AK-47 7.62x39mm** - This extremely durable weapon is still used around the world today.

**M-60 .30 Caliber Belt Fed Machine Gun** - Was known as "The Pig" by US Troops during the Viet Nam War.

**Russian RPK 7.62x39 Caliber Belt Fed Machine Gun** - A rugged belt fed machine gun still used in many countries today.

**1911 .45 Caliber Pistol** - Used by the US Military through the end of the Viet Nam War.

**The Viet Nam War Package Fee \$200 (per person)**

# Desert Storm Package

## The Weapons Used By The Coalition Troops

This package contains weapons used by the Coalition Troops during Desert Storm War. In many cases, these weapons are currently being used by militaries around the world today. Participants will learn the history behind each weapon as well as safe handling, loading and firing.

**M4 5.56mm Carbine** - This is the more compact weapon that is currently issued to many Army Units.

**M249 5.56mm Machine Gun** - This is a belt fed machine gun often called the SAW (Squad Automatic Weapon)

**M240 Bravo .30 Caliber Machine Gun** - This is the .30 Caliber belt fed machine gun that replaced the Viet Nam era M60

**AK47 7.62x39mm** - This assault rifle is still used in the Middle east today.

**The Desert Storm War Package Fee \$210 (per person)**
